# Foreword

Realizing that today is done, and that the sun of tomorrow is rising, we, the senior class of 1967, take another step further. Our life has not ended, it is only beginning. The time has come when we must put into practice the theoretical learning that we have received at Fuquay Consolidated High School.

During these four years at Fuquay Consolidated High School, we have shared many happy experiences and hardships together; but, these were promising years.

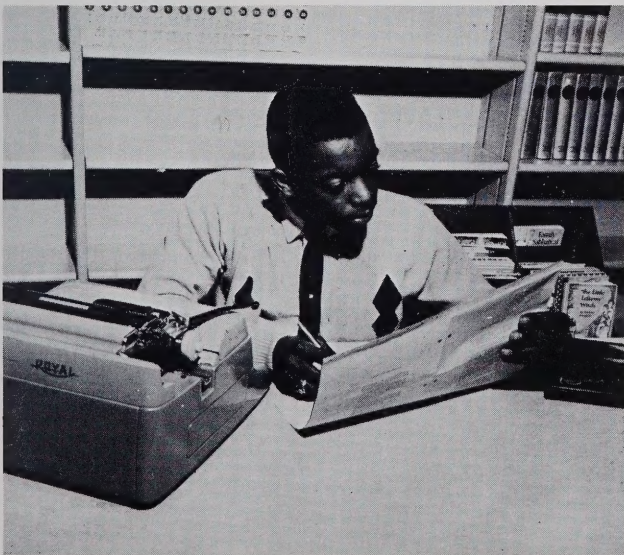

Many valuable hours were spent in the preparation of the 1967 Edition of "The Bison". There were moments of frustration, and many headaches, but we feel that we did our best. This Edition will attempt to portray life typical of that in the halls, in the rooms, and around the campus of our dear "Alma Mater".

As the Earth rotates so as to cast the illusion that the sun "rises" and "sets", so does the life of a student at Fuquay Consolidated rotate from the first day of matriculation to the last moment of the Commencement Exercises.

Editor-In-Chief

# Dedication

To the Members of the Senior Class, the Advisors, and all who participated in this most worthy project, I extend sincere congratulations! In publishing the 1967 volume of THE BISON you have done much to preserve the history, tradition, and rich cultural heritage of the school.

On behalf of the Board of Education and the entire School Family, I accept this volume and shall direct that it be officially recorded and preserved among our library collections pertaining to the activities and pictorial history of your life at Fuquay Consolidated School 1966-67.

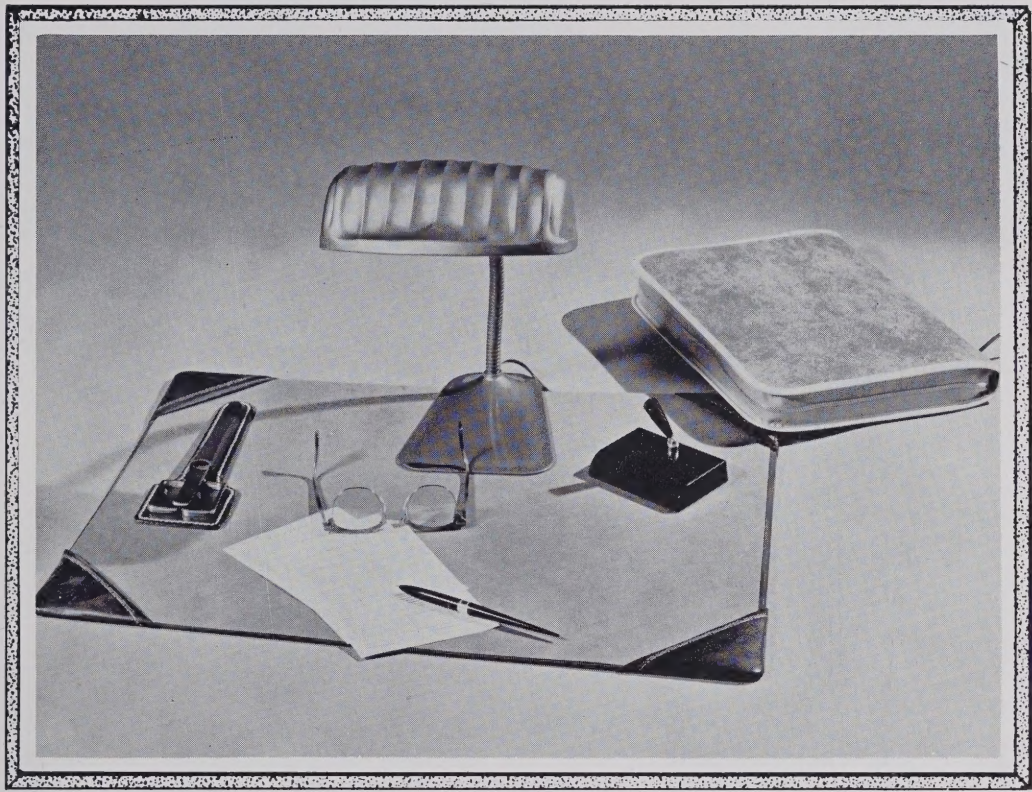

It is hoped that this volume will serve to inspire future classes to continue in this traditional contribution to the life of the institution.

Cordially yours,

A handwritten signature in cursive script that reads "Wm. M. Freeman".

# Miss Homecoming

Rosa Jones, Sophomore

# School Song

High upon the hilltop glistening,  
Mid shops and spires supreme,  
Stands our campus Fuquay High School,  
Nothing dims thy sheen.

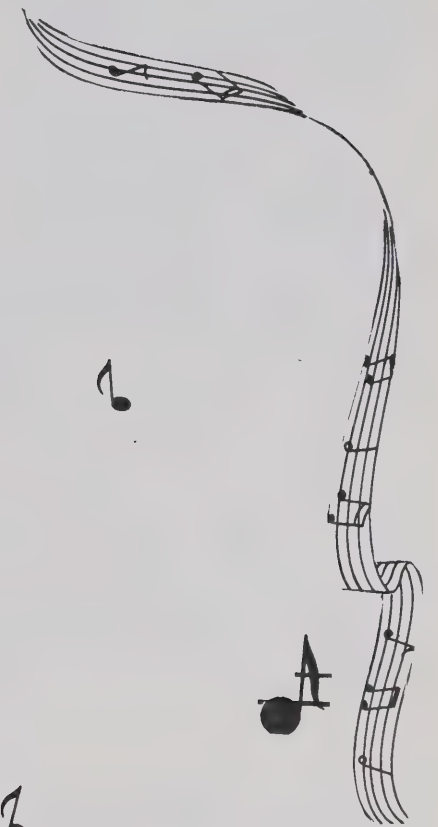

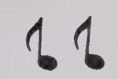

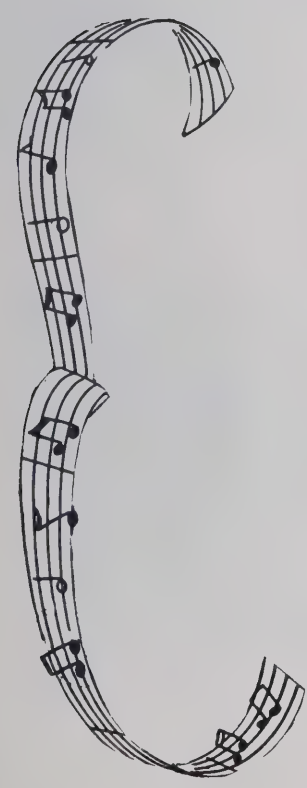

(Chorus)

Sing thy praises, resound thy phrases,  
Through the hall of times.  
We will always love and cherish thee,  
Fuquay we are thine.

Honor is for what we're striving,  
Ambition will take us through.  
If we can acquire more knowledge,  
We will have merit too.

(Chorus)

Scholarship and Service too,  
Success our destiny.  
Hold aloft our radiant colors,  
We'll be true to thee.

When you buy or build specify a Gold Medallion Home, and step up to the joy of All-Electric living. The whole family will love it.

In a Gold Medallion Home clean, flameless electricity keeps you warm and cooks your meals, heats the water and gives you light for lighting. And it works in so many other ways to make housekeeping chores easier and living better.

P.S. CP & L's rate for all-electric homes has been reduced four times in the last six years. Electric living is cheaper than ever.
